First Aid for the Match, Fifth Edition (First Aid Series):

7 of 7 review helpful Great book other than a couple things and some updates needed By aggiegirl08 I really liked this book for guiding through my fourth year of medical school and the match process it s short concise and easy to read unlike other novel like match books Everything in the book is pretty accurate except for the description of the SOAP process which is wrong just because it was updated after the bo Make or break advice on getting into the residency program of your choice Written by medical students who recently completed the match process First Aid for the Match is a insider s guide to preparing for and succeeding in the match process The fifth edition features a new two color interior design the latest statistics and advice on matching in each specialty and major sub specialty advice on preparing for the 4th year of About the Author Author Profile Tao Le MD is the series editor for the First Aid series He is Assistant Clinical Professor of Medicine and Pediatrics Section of Allergy and Clinical Immunology University of Louisville KY Vikas Bhushan M
