**By Emily R. Transue M.D. : On Call: A Doctor's Days and Nights in Residency** i discovered something last night while i couldnt do my husbands job he couldnt do mine either he couldnt deal with the loneliness of being a doctors wife how to date a doctor as doctors are intelligent and often passionate about their work dating a doctor can be a

wonderful experience however there are certain On Call: A Doctor's Days and Nights in Residency:

0 of 0 review helpful EXCELENT By carolyn jacobs great depiction of the educational process skills and feelings involved in becoming a MD I WISH EMILY WAS MY DOCTOR 0 of 0 review helpful Besides the condition and the wonderful price the story is amazing By Timothy Bourassa II I bought this book used just to save money and even though the cover had folds in it the On Call begins with a newly minted doctor checking in for her first day of residency wearing the long white coat of an MD and being called Doctor for the first time Having studied at Yale and Dartmouth Dr Emily Transue arrives in Seattle to start her internship in Internal Medicine just after graduating from medical school This series of loosely interconnected scenes from the author s medical training concludes her residency three years later Duri From Publishers Weekly During her three years as a resident in internal medicine at the University of Washington in Seattle Transue wrote about her patients as a way to guard against burnout and share her experiences with friends and family This moving collect
