1 of 1 review helpful Good book highly recommend By Britney Elizabeth I purchased this ebook kindle version for one of my RN prerequisite courses I always purchase ebooks because who likes to lug around 20lbs of books 5 days a week Not me This is a good book and I did learn some interesting facts in which I was unaware of prior to reading Mosby s Tour Guide to Nursing School I m not much of a book reader unless it s Encouraging user friendly and altogether unique Mosby rsquo s Tour Guide to Nursing School encourages you to not only survive nursing school but excel in whichever program you select Throughout the book Dr Chenevert compares your journey through nursing school to a road trip and she offers advice to increase your understanding help you successfully navigate obstacles and make your journey more enjoyable You rsquo ll learn how to prepare for the NCLEX reg a About the Author Melodie Chenevert RN MA MN
