59 of 62 review helpful Comparison between 3rd revised and this By Vin I have both the 3rd edition revised reprint and the 4th edition so this review it s mainly intended to highlight the differences between the two They re both

excellent books and if you've ever read Goljan you know what to expect. As for the differences: 1. The book is longer. By about 150-200 pages. That may not be a good thing, depending. Get the most from your study time and experience a realistic USMLE simulation. Rapid Review Pathology by Edward F. Goljan MD makes it easy for you to master all of the pathology material covered on the USMLE Step 1 Exam. It combines an outline format review of key concepts with over 400 hundred USMLE style practice questions online that give you all the practice you need to succeed. Book Outline format. Concise, high yield subject. Each chapter is packed with information. As well as the bullet point formatted text, the authors frequently use non-fussy, two-tone tables to provide more in-depth information on single topics. In conclusion, this book is a high yield, rapid review of p
