**By Julia Balzer Riley RN MN AHN-BC REACE : Communication in Nursing, 7e (Communication in Nursing (Balzer-Riley))** Communication in Nursing, 7e (Communication in Nursing (Balzer-Riley)):

0 of 0 review helpful 3 stars By Jessica Carls This book has some interesting points but I thought it was cheesy how the author interjected her own poems Maybe that was skipped in the 6th edition I m not sure The book was over priced for what it was even used If you have to get this book I would probably get the 5th edition because now they are dirt cheap 1 of 1 review helpful Save money Go beyond theory and start to master the essential communication skills and

techniques you rsquo ll need throughout all areas of nursing practice Communication in Nursing 7th Edition uses a personal and empathetic approach along with unique artistic features to help you develop a deeper understanding of the importance of communication Comprehensive step by step guidelines teach you how to establish patient relationships and new QSEN specific e Riley s book is an excellent book that provides a wide ranging coverage of the subjects that could be considered to be under the umbrella of communications The pre registration student would find this book especially helpful when studying those modules that
