**By Barbara J Aehlert RN BSPA : ECGs Made Easy - Book and Pocket Reference Package, 5e** ECGs Made Easy - Book and Pocket Reference Package, 5e:

23 of 24 review helpful Great book for people just starting to interpret ECGs By Primadona If you have always seen the tele monitors in the hospital and don t know what the zigzag on it means this is the book you need when you have to take an intensive critical care course This was a required text for my critical care course and did a good job shipping it on time I liked the book and as many times as i ve stud Known for its conversational style Barbara Aehlert s ECGs

Made Easy offers clear explanations and plenty of practice exercises that make it easier than ever to understand and interpret basic dysrhythmias Each ECG rhythm includes a sample rhythm strip and a discussion of possible patient symptoms and general treatment guidelines Student friendly features include ECG Pearl boxes with insights based on real world experience and Drug Pearl boxes highlighting medications
