0 of 0 review helpful Good but not ready to stand on its own By Tammy L Gould I purchased this book to augment

Kaplan's PCAT review book and I couldn't be more pleased with this decision. I liked this book because of the long recaps summaries that accompany every chapter and the two practice tests. Three if you include the diagnostic test at the beginning were very useful in gauging what material I had mastered and what. Anyone hoping to get into a pharmacy school must take the PCAT the Pharmacy College Admission Test a standardized exam that measures the aptitude and skills of pharmacy school applicants. Peterson's Master the PCAT offers the essential test prep for each of the exams on the PCAT Writing parts I and II Verbal Ability Biology Chemistry Reading Comprehension and Quantitative Ability. Packed with practice tests as well as expert test taking advice and th
