By Charles Court-Brown MD, Margaret M. McQueen MD, Paul Tornetta III MD : Trauma (Orthopaedic Surgery Essentials Series) brian w su md mttam orthopedics and spine center from paul h kim md on vimeo dr su is a board certified spine surgeon and is medical director of spine surgery augustus d mazzocca ms md professor department of orthopedic surgery uconn health director uconn musculoskeletal institute chairman department of Trauma (Orthopaedic Surgery Essentials Series):

0 of 0 review helpful Very helpful even for lay persons By GPW I bought this book after my daughter broke a

metacarpal bone in her right hand The orthopedic surgeon recommended surgery to screw a plate onto the bone to hold it in position it was a borderline case and this book really helped to support our decision against the procedure The book does have its share of medical lingo but there are plenty of i Written by the world s foremost trauma surgeons this volume of our Orthopaedic Surgery Essentials Series presents all the information residents need during trauma surgery rotation or service It can easily be read cover to cover during a rotation or used for quick reference before a patient workup or operation The user friendly visually stimulating format features ample illustrations bulleted lists boxes and tables Coverage begins with brief
