By Thomas M. De Fer MD, Bryan A. Faller MD, Hemal Gada MD, Sam J. Lubner MD : The Washington Manual® Internship Survival Guide this handbook is meant to serve as a guide to the practice of internal medicine all information contained within is believed to be reliable and accurate but is by no im dick bolles this is my site and its designed to be a complement and supplement to my book what color is your parachute a practical manual for job

hunters The Washington Manual® Internship Survival Guide:

0 of 0 review helpful New intern By Choriambic The days leading up to internship can be scary This book is fine but it didn't come in handy for me at all I opened it a few times on my wards months but it wasn't helpful These days when everyone has smartphones there are easier ways to get information And if you're even an average intern you probably already know most everything in this book In those moments w This small pocket book contains all the essentials that every resident needs to know from day one on the wards It presents practical must have information from the front lines of the wards in an easy to use quick reference format
