**From Brand: LWW : Adult Reconstruction (Orthopaedic Surgery Essentials Series)** more than 4500 ebooks and many book collections including archive collections of critical historical material as well as publisher and topical collections welcome to the quot;resident ethics series issues and scenarios for discussion and guidancequot; the aaos ethics committee has created this series to provide orthopaedic Adult Reconstruction (Orthopaedic Surgery Essentials Series):

0 of 0 review helpful Adult reconstruction By Pen Name Great book excellent quality Good for general overview of

reconstructive orthopaedics a little lacking in depth about the reasoning behind some of the theories explained Written by leading experts from the Mayo Clinic this volume of our Orthopaedic Surgery Essentials Series presents all the information residents need on hip knee shoulder and elbow reconstruction in adults It can easily be read cover to cover during a rotation or used for quick reference before a patient workup or operation The user friendly visually stimulating format features ample illustrations algorithms bulleted lists charts and tables
