Medical Assistant's Pocket Guide:

2 of 2 review helpful The most important item in my scrub pocket after my pen By AZBuck Simply an incredible little book I ordered this in anticipation of going out on externship I can't believe how much information is packed in this little volume that fits in a scrub pocket This is like having the best parts of the 20 pound Delmar text right at your fingertips in a clinical setting I particularly love th The perfect pocket sized reference for the classroom externship and beyond This handy guide provides all of the commonly used but rarely memorized information you need such as normal lab values common medical abbreviations dosage calculations triage questions and more The 2nd Edition has been thoroughly revised and updated to put the latest information and practices at your fingertips
