By Danielle Ofri : Singular Intimacies: Becoming a Doctor at Bellevue Singular Intimacies: Becoming a Doctor at Bellevue:

1 of 1 review helpful Great medical memoir By MIndee I am a nurse who lives to read any medical memoirs There are few written so eloquently portraying what it is like emotionally in a hospital Even though there is still a class distinction off Dr vs nurses I enjoy the perspective from a MDs view who actually shows emotion and care for their patients Very well written Very enjoyable 2 of 2 review helpful Singular Intimacies is the story of becoming a doctor by immersion at New York s Bellevue Hospital the oldest public hospital in the country When Danielle Ofri first enters the doors as a medical student she is immediately plunged into the teeming world of urban medicine It is here that Dr Ofri develops a profound instinct for healing and above all learns to navigate the tangled vulnerabilities of doctor and patient From Publishers Weekly These essays some previously published about the author s 10 years as a medical student intern and resident at the oldest public hospital in the U S resonate with insight intelligence humor and an extraordinary sensitivity to both th
