**From Brand: Health Professions Press : Palliative Care Nursing: A Guide to Practice** chpca provides leadership and advocacy for quality hospice palliative care for all Canadians and increased awareness of end of life care issues in Canada. Palliative care is an essential element of nursing. This two-day course is designed to provide registered nurse and advanced practice registered nurses with Palliative Care Nursing: A Guide to Practice:

All chapters are written by nurses and other health professionals who have recognised expertise and experience in the management of problems faced by nurses in their care of dying people and their loved ones. Palliative Care Nursing addresses palliative care from a nursing perspective and will assist nurses in a variety of settings to care for people and their families with confidence and competence. It offers all nurses an evidence-based approach to handling the
