**By American Academy of Orthopaedic Surgeons : Emergency Medical Responder, Fifth Edition (Orange Book Series)** online news and press release distribution service for small and medium sized businesses and corporate communications includes current items organized by date quot;can you hear me nowquot; hearing health and the public safety telecommunicator the art of listening by the dispatcher demands a high level of hearing Emergency Medical Responder, Fifth Edition (Orange Book Series):

0 of 0 review helpful A lot of things in this older edition book are pretty outdated for example By Brandon C Smith I passed this class and am now going to EMT this fall with the help of this book A lot of things in this older edition

book are pretty outdated for example you don't perform CPR on water if a patient is floating If your instructor is competent he should be able to inform you on what is outdated and what Based on the new National EMS Education Standards and endorsed by the American Academy of Orthopaedic Surgeons the Fifth Edition of our core first responder textbook offers complete coverage of every competency statement with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking The experienced author team and the AAOS medical editors have transformed the Education Standards into a training program that reflects b
