By William L. Doss, Clinton E. Faulk, Carrie A. McShane, Matthew W. Wilson : Beyond Residency: The New Physician's Guide to the Practice of Medicine beyond residency offers institutions teaching business of medicine courses and for new physicians was devoted to the practice of medicine beyond residency by doss the new physicians guide to the practice of less than half felt that enough time was devoted to the practice of medicine Beyond Residency: The New Physician's Guide to the Practice of Medicine:

Beyond Residency offers practical no nonsense advice about the business and economics of being a medical doctor

Used as a textbook in the Business of Medicine Course at East Carolina University's Brody School of Medicine this edition is designed to work more broadly for other institutions teaching business of medicine courses and for new physicians starting out in practice. Recalling his days in medical school, Marc Lyles, senior director of health care, about the author William L. Doss III, MD, MBA, is the lead author of *Beyond Residency*. He received his BS and MD degrees from the University of Michigan and Howard University College of Medicine respectively and his MBA from Auburn University. He compl
