2 of 2 review helpful This is a complete waste of money By Olivetree This is a complete waste of money It is more of

a pamphlet than a book cheaply produced with very little useful information The pages are not even numbered The test has simple questions that are not similar to those that will be seen on the ASCP certification exam and there are no explanations provided for the answers There is no depth to this rag What you will learn from this book The Medical Laboratory Clinical Laboratory Sections Hematology Section Chemistry Section Blood Bank Section Serology Immunology Section Microbiology Section Quality Assurance Quality Control Safety in the Laboratory Laboratory Hazards Physical Hazards Chemical Hazards Biological Hazards Infection Control Isolation Precautions Hepatitis and Acquired Immunodeficiency Syndrome AIDS Hepatitis A Hepatitis B AIDS The Microscope Understan
