0 of 0 review helpful Too many fill in the blank questions for my taste By Steve I ve already purchased a few CNA

study guide books This one had way too many fill in the blank questions I prefer study guides with A B C or D study questions Sure the questions are on the back but still the flipping back and forth got tiring But once you get past hours of filling in the blanks then the book is useful enough I CNA Exam Prep Volume 2 is a bank of more than 700 practice test questions for nurse assistants students preparing to take the state competency exam Questions were chosen from different areas of nursing care to enhance comprehensive review A review of these questions along 400 questions in CNA Exam Prep Volume 1 will completely prepare the CNA students to challenge their state exams
