0 of 0 review helpful Kaplan Always has Quality materials you have to be pretty sharp already to read this By nonfiction reader The review is good but Kaplan you really think of questions that you want from a book and there

aren't that many. It says Lecture Notes but really you wind up wanting more lecture questions about the lecture notes. Gave it five stars for the excellent illustrations but know that you already have. The only official Kaplan Lecture Notes for USMLE Step 1 cover the comprehensive information you need to ace the exam and match into the residency of your choice. Up to date. Updated annually by Kaplan's all star faculty. Integrated. Packed with clinical correlations and bridges between disciplines. Learner efficient. Organized in outline format with high yield summary boxes. Trusted. Used by thousands of students each year to succeed. About the Author. For over 40 years Kaplan Medical has been dedicated to helping aspiring doctors prepare for and pass their medical licensing exams. We are proud to offer the most innovative study tools available on the market and our dedicated staff of expert
