By Examcrackers' Staff : examcrackers 16 Mini-MCATs (Examcrackers MCAT Manuals) examcrackers 16 Mini-MCATs (Examcrackers MCAT Manuals):

3 of 3 review helpful Good purchase despite the typos By espagueti This book is a great supplement to the ExamCracker 1001 books and for MCAT content review but there are a lot of typos The answers are correct in the back of the book but some questions have such bad wording typos you cannot even answer them As a note for personal use the key to each test is NOT correct but when you look at the descriptions to each qu Examcrackers 16 MiniMCATs is the homework book for the course It includes 16 one hour exams in exact MCAT format Each exam

has two verbal passages two phys chem passages and two bio orgo passages Complete answers and explanations are included in the book 16 MiniMCATs is also supported on the Forum of this website
