By Pamela J. Wolfberg : Peer Play and the Autism Spectrum: The Art of Guiding Children's Socialization and Imagination Peer Play and the Autism Spectrum: The Art of Guiding Children's Socialization and Imagination:

4 of 4 review helpful The Bible for Social Skills Practitioners By Marcy Willard This book is the bible for social skills coaches as far as I can tell I read every one of the peer reviewed well researched books I can get my hands on about

Autism and peer play This is the best In the forward of this book one of Dr Wolfberg s professors comments that Pamela s students turned out to be much more capa Many children on the autism spectrum spend inordinate amounts of time alone pursuing repetitive and unimaginative activities Without appropriate intervention they are especially vulnerable to being excluded from their peer group and leading impoverished play lives This practical guide offers an introduction to the basic principles tools and techniques that comprise the Integrated Play Groups model Pamela Wolfberg essentially translates theory into effective and mean Based on award winning research Pamela Wolfberg offers practical guidelines for developing Intergrated Play Groups Kathleen Quill Ph D Autism Institute Boston MassachusettsHere is finally a book about developing social and imaginat
