By American College of Physicians : MKSAP For Students 4 (Mksap for Students, Alguire) MKSAP For Students 4 (Mksap for Students, Alguire):

19 of 20 review helpful Beware By William This book is supposed to be designed to help you do well on the internal medicine shelf It was recommended by a good majority of my senior classmates What it really does is test how well you know the latest and greatest info on particular diseases In other words the impression that I got from this book is that it was trying to teach you the latest material from journal refer Enrich your learning and reinforce key concepts

with the companion volume to Internal Medicine Essentials for Clerkship Students 2 Newly reorganized and fully updated MKSAP for Students 4 is designed to help medical students succeed in their clerkship rotation This new edition offers 450 new patient centered self assessment questions and answers which help define and assess mastery of the core knowledge base requisite to internal medicine education in medical school
