By Jeff Wiese : Teaching in the Hospital (ACP Teaching Medicine Series) the society of hospital medicine shm is the largest organization representing hospitalists and a resource for hospital medicine education hospitalist jobs dr deborah cotton is professor of medicine at the boston university school of medicine where she received her md in 1976 after internal medicine residency at Teaching in the Hospital (ACP Teaching Medicine Series):

0 of 0 review helpful This is an excellent book for anyone involved in educating clinicians By katarinaism This is an excellent book for anyone involved in educating clinicians I am currently a senior resident neurology and was struggling with conceptualizing how to teach on the wards It is an expectation of residents to become educators of the junior members on the team interns and medical students and occasionally c The complexity of hospitalized patients and the day to day issues that arise on inpatient services make teaching in the hospital as challenging as it is unique Hospital based medical educators hospitalists and attending physicians must be adaptable and teach a wide range of topics all while administering effective patient care Written by experts in the field Teaching in the Hospital offers a unique perspective on the goals of inpatient teaching and practical advice
