test your medicine knowledge with the mksap challenge in partnership with the american college of physicians a 54 year old man is evaluated for a visit the acp user login page to access your account MKSAP® for Students 5:

17 of 17 review helpful Internal Medicine Practise Questions By Diverse Diva MKSAP 5 contains 450 NEW questions that are different from the questions in the previous edition The questions are well written and incorporate the latest calculations used in evidence based medicine The explanations are easy to understand and appropriate for a MS3 or MS4 I found the questions in this book to be a bit simpler than those on WORL Like its best selling

predecessor the fifth edition of this popular series contains over 450 multiple choice questions updated references color photographs and ECG tracings MKSAP for Students is intended for third year students participating in their required internal medicine clerkship and for fourth year students on an advanced medicine clerkship All questions are formatted as clinical vignettes that resemble the types of questions students encounter on the
