0 of 0 review helpful This book is an awesome starting place By Bonerr Alden This book is an awesome starting place

Studying for boards can be daunting and this is like a super concise outline to work off of It doesn't have everything you'll need but it's a great place to begin and then build off of A lot of other board books have too much detail for quick review and can bog you down if you're just trying to make sure you A lightning fast review of Pathology Microbiology Pharmacology Biochemistry Anatomy Physiology and Social Science in chart format Updated for USMLE Step 1 of the National Medical Boards including the new DSM 5 psychiatric classification of diseases Author scored in top 3 of USMLE Step 1 Additional Internet link to 1000 quiz questions in a unique time saving interactive style
