Rules for Success:

2 of 2 review helpful Great book to get you into fellowship By Roop Stasia I found this book to be incredibly helpful Its recommendations are based on research done on fellowship selection It really helped me to better understand the advice you get from those around you In some cases I realized that the advice I d been given was not the best The book also has numerous quotes from fellowship program directors and other What does it take to secure a position in the subspecialty and fellowship program of your choice nbsp As the years have passed subspecialty training has increased in popularity In some specialties such as radiology and pathology over 90 of residency graduates pursue fellowship training Competition is intense and some applicants are unsuccessful In the 2013 NRMP Specialties Match Fellowship Match nearly 25 From the Author As the author of The Successful Match 200 Rules to Succeed in the Residency Match it has been a great joy for me to nbsp help U S medical students and international medical graduates nbsp match successfully into residency Over the years some
