By Leon Gordis MD MPH DrPH : Epidemiology: with STUDENT CONSULT Online Access (Gordis, Epidemiology) 4th (forth) edition Epidemiology: with STUDENT CONSULT Online Access (Gordis, Epidemiology) 4th (forth) edition:

9 of 9 review helpful E version omits figures every other page By NEWS The content of the book is fine no complaints there Its very annoying though that every other page has a note Rights not granted to include this figure in electronic media Please refer to the printed publication Some images figures are included some or not Seems as if 50 of figures are not included in e version That was not THE introductory text for Epi Nothing more nothing less than you need to know Brief but thorough enough for Boards review too
