0 of 0 review helpful Pretty useful book By Heather While there are a lot of books out there that we nurses need to read for our education this book is actually helpful Though the print is comfortably larger and easier to read it does still take some time to work thru the chapters I had a layoff from nursing to raise my daughter My initial experience as a brand new nurse was a bit rough This book specifically ch Acclaimed for its strong theoretical framework and

consistent organization Arnold and Boggs Interpersonal Relationships Professional Communication Skills for Nurses 6th Edition remains the definitive resource in developing effective communication with clients families and colleagues in order to achieve treatment goals in health care This two time AJN Book of the Year award winner is thoroughly updated and includes current references de
